Product Discontinuance Notification

November 24, 2009
(Revised March 8, 2010)

Dear Valued Customer,

This letter serves as notification that Skyworks Solutions, Inc has decided to discontinue the manufacturing of the LTCC (Low temperature co-fired ceramic) product offerings from our Silicon Discrete product line. Our intent is to support these products for a limited time in order to allow for future planning by all of our customers; therefore we will offer last time buy opportunities to support your needs.

With this notification Skyworks extends the opportunity of a last/lifetime buy for all LTCC products, including the following products:
